

# Product Portfolio

The Customization Group is a print-on-demand fulfillment company best-known for custom wall decoration. We also produce a broader range of premium prints such as apparel, home & lifestyle products, and gifts. We work with businesses of all sizes, helping our partners thrive with the superb quality of our customized products.

### Easy integration

Connect to all major marketplaces and carts via Picanova API. You'll reach millions of potential clients, and you'll be able to access all your data from our reliable centralized system. Our custom API is built to save you time and resources.

### Automated Order Processing

Get a competitive edge thanks to our cost-effective automated approach. We start processing each order as soon as you make a sale, making optimal use of resources and ensuring timely delivery to your clients.

### Quality Prints

Our state-of-the-art printing equipment and carefully sourced materials ensure crisp, vivid prints that your customers will love. The experts at our production facilities oversee each order with the utmost care.

### Progressive Discounts

Reach a set sales threshold with our POD products to access special pricing deals and exclusive services. We reward loyalty, helping you keep up the momentum once your business starts to thrive.

*“The quality of the printing is top notch, so we can feel confident scaling our business with them. The main advantage for us is the possibility to use their API to make our process automatic with our store.”*

*“The Customization Group gives you the perfect foundation to make a professional start in print-on-demand, with the capacity to scale your business easily. Delivery and shipping times are very fast. Customer support is always responsive.”*
